**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The cost now for broadband is already expensive, by limiting competition for services, Im sure there will be a increase in out of pocket expenses for me. Please allow competition. Here in my state of Missouri we already pay a premium for 10mps speed. Its a joke paying 98.00 for service.
